LMCC Cold Turkey Christmas Trial Wednesday 30th December
Treburland near Altarnun PL15 7SB. The venue will be signed from the A30 on the Altarnun/Five Lanes exit. Please only access the venue from the Altarnun roundabout there is NO ACCESS from the Plusha side (behind the services)

We have increased the number of groups to 10 to allow everyone on the reserve list a chance to ride and so the first group of riders now start at 08:30am which we hope will allow plenty of time throughout the day. We have planned a course of 12 sections and are hoping to run 3 laps, however if on the day we feel there isn't enough time for the final lap we reserve the right to end the trial after 2 laps.

Please read the following instructions carefully and contact craig@launcestonmcc.co.uk asap if you have any worries or concerns.

****** FACE MASKS MUST BE WORN AT ALL TIMES WHEN AWAY FROM YOUR VEHICLE WHICH INCLUDES WALKING SECTIONS BUT NOT WHILST RIDING ******

To help keep everyone safe we will be separating riders into smaller groups and starting groups at 15min intervals.

Please do not arrive at the venue any earlier than 30mins before your allocated start time (group list available on our website) upon arrival you will be greeted by a parking Marshall who will guide you to the parking area for your group. Vehicles must be parked with at least 2m spacing and social distancing rules must be followed throughout the day. Other than signing on the only people you should be near will be the other members of your group.

Please make sure you bring your own pen to sign on and use the hand sanitiser/gloves provided and face coverings MUST be worn whilst signing on.

When signing on please deposit your completed forms and payment in a sealed clearly marked envelope in the contactless box and sign on, then collect your rider number from the towavan.

Only 1 group will be allowed to sign on at a time to minimise the risk whilst queuing.

Once you have signed on please re group with your lead rider in the parc ferme where a committee member will issue a final briefing. Your lead rider will carry scorecards for the group.

Once you have finished the trial please go home! Please do not hang around and mingle with any other groups as we are keeping you all separate to help control the risk of spreading the virus.

Anyone seen to be breaking any of the extra restrictions we have in place will forfeit any future entries whilst restrictions are in place!

During the day we will have course Marshall's keeping an eye on proceedings and we hope that everyone will take the extra measures we have put in place for everyone's safety seriously.

We look forward to seeing you all in the field on for one last day having fun on the bikes this year!

Please note that due to the limitations on riders and the uncertainty of events this year we will not be running the club championship but we hope to restart championship points next year.

Social distancing rules of 2m distance must be followed at all times.
