Course:

This is a trial for SOLO riders. The event will comprise of eight sections, all on private land. Each section will have four routes and will need to be completed in four laps. Sections will be a mix of rock, natural hills, tree roots, streams and climbs.

In places where the ground does not lend favourably to beginners - we will ensure there are sections elsewhere to accommodate all riders on the day.

The organisers reserve the right to postpone or cancel the event if circumstances demand it

Spectators are welcome.

There will be NO toilets or catering trailers

BUT Complimentary Tea & Coffee will be available as always - (bring your own cups if you want).

General Rules:

Machine Eligibility - Machines must be in a good safe state of repair i.e. controls, levers, brakes, wheels and not hazardous to the rider and other competitors.

The club reserves the right to scrutineer machines.

All riders under the age of 16 must be accompanied throughout the trial by one secure person who must be at least 18 years of age and who can come to the rider's assistance should they need it.

There will be NO pillion passengers at this event.

Course / Section markers are as stated on the entry form.

There are no specific starting orders, although riders may be split into groups to start at different numbered sections to aid rider flow through the sections.

The start of this trial will be signalled by the sound of a car horn, this will be followed by a rider briefing, where any final instructions will be given or posted on a notice board all located at the entry's trailer.

Observers:

Each section will be marked by an independent observer.

Riders must wait for the Observers instructions before entering a section.

Sections should be ridden in sequence unless otherwise instructed or agreed by an Observer.

Riders are advised to double-check with Observers that they have completed all laps of all sections BEFORE signing -off.

Riders are requested to SIGN-OFF at the entries trailer as soon as they have completed all sections or on retirement.

A back-marker will close the course and inform all Observers.

Ties will be decided on the number of cleans.

The Club may from time to time use a climb as a section, which will be graded '9' at the bottom to '0' at the top. The riders will fail when they dab their foot or stop forward motion, and the position of the front wheel spindle will determine the marking at the point of failing.

Machines with excessively noisy exhausts will be excluded.

Only members of Launceston MCC Ltd will qualify for championship points throughout the year as follows: WIN 3 points, SECOND 2 points, THIRD 1 point.

Final results will be posted on the club website and Facebook page within 24 hours of the event closing - www.launcestonmcc.co.uk
